Our Mission

AFCEA is an international organization that serves its members by providing a forum for the ethical exchange of information. AFCEA is dedicated to increasing knowledge through the exploration of issues relevant to its members in information technology, communications, and electronics for the defense, homeland security and intelligence communities.

Purpose of Conference/Expo

- Provide a professional development venue for soldiers & leaders
- Provide a forum for professional interchange between industry and the military
- Present opportunities to attendees to observe state-of-the-art mission-oriented technology
- Generate support for Fort Bragg Soldier and Family programs
